Meriden, CT 06451
Dear Andre:

I want to thank you again for your presentation at Southern Connecticut State University. After the program and into the next day attendees were still talking about how your presentation gave them confidence and motivation. The guidance you provided will no doubt increase their effectiveness.

I hope we can convince you to come back in the near future and contribute to our program.

Sincerely,

Alfred D. Bradshaw, Ph.D.
Assistant Professor

A Campus of the Connecticut State University System
An Equal Opportunity University
